Perma numbers 0-9 are delivered in packages with 10 pieces of the same number.

Perma letters A-Z + ÅÄÖ are delivered in packages of 10 pieces of the same letter.

All letters and numbers are made in our HT quality. Orders made before 12.00 are sent the same day.

As an option you can choose other colors from the PERMATONE color chart without extra cost with a minimum order of 10 packages of the same letter/number model. Supersoft quality is also an option. Delivery time for numbers and letters with options added is 6-8 working days.

For the end result when used, no guarantee can be given. The user has to convince himself that the product is suitable for the intended purpose.
